Purpose of Trust.

The purpose of the Trust is to conduct, operate and carry on the business of a registered management investment company registered under the 1940 Act through one or more Series

investing primarily in securities and, in addition to any authority given by law, to exercise all of the powers and to do any and all of the things as fully and to the same extent as any private corporation organized for profit under the general corporation law of the State of Delaware, now or hereafter in force, including, without limitation, the following powers:

(a) To invest and reinvest cash, to hold cash uninvested, and to subscribe for, invest in, reinvest in, purchase or otherwise acquire, own, hold, pledge, sell, assign, mortgage, transfer, exchange, distribute, write options on, lend or otherwise deal in or dispose of contracts for the future acquisition or delivery of fixed income or other securities, and securities or property of every nature and kind, including, without limitation, all types of bonds, debentures, stocks, preferred stocks, negotiable or non-negotiable instruments, obligations, evidences of indebtedness, certificates of deposit or indebtedness, commercial paper, repurchase agreements, bankers' acceptances, and other securities of any kind, issued, created, guaranteed, or sponsored by any and all Persons, including, without limitation, states, territories, and possessions of the United States and the District of Columbia and any political subdivision, agency, or instrumentality thereof, any foreign government or any political subdivision of the U.S. Government or any foreign government, or any international instrumentality, or by any bank or savings institution, or by any corporation or organization organized under the laws of the United States or of any state, territory, or possession thereof, or by any corporation or organization organized under any foreign law, or in "when issued" contracts for any such securities, to change the investments of the assets of the Trust;

(h) To join with other security holders in acting through a committee, depository, voting trustee or otherwise, and in that connection to deposit any security with, or transfer any security to, any such committee, depository or trustee, and to delegate to them such power and authority with relation to any security (whether or not so deposited or transferred) as the Trustees shall deem proper, and to agree to pay, and to pay, such portion of the expenses and compensation of such committee, depository or trustee as the Trustees shall deem proper;

(m) To adopt, establish and carry out pension, profit-sharing, share bonus, share purchase, savings, thrift and other retirement, incentive and benefit plans, trusts and provisions, including the purchasing of life insurance and annuity contracts as a means of providing such retirement and other benefits, for any or all of the Trustees, officers, employees and agents of the Trust.

(p) To borrow or raise moneys for any of the purposes of the Trust, and to mortgage or pledge the whole or any part of the property and franchises of the Trust, real, personal, and mixed, tangible or intangible, and wheresoever situated.

(q) To enter into, make and perform contracts and undertakings of every kind for any lawful purpose, without limit as to amount.

(r) To issue, purchase, sell and transfer, reacquire, hold, trade and deal in Shares, bonds, debentures and other securities, instruments or other property of the Trust, from time to time, to such extent as the Board of Trustees shall, consistent with the provisions of this Declaration of Trust, determine; and to repurchase, re-acquire and redeem, from time to time, its Shares or, if any, its bonds, debentures and other securities.

The Trust shall not be limited to investing in obligations maturing before the possible dissolution of the Trust or one or more of its Series. The Trust shall not in any way be bound or limited by any present or future law or custom in regard to investment by fiduciaries. Neither the Trust nor the Trustees shall be required to obtain any court order to deal with any assets of the Trust or take any other action hereunder.

The foregoing clauses shall each be construed as purposes, objects and powers, and it is hereby expressly provided that the foregoing enumeration of specific purposes, objects and powers shall not be held to limit or restrict in any manner the powers of the Trust, and that they are in furtherance of, and in addition to, and not in limitation of, the general powers conferred upon the Trust by the DSTA and the other laws of the State of Delaware or otherwise; nor shall the enumeration of one thing be deemed to exclude another, although it be of like nature, not expressed.

ARTICLE III

Shares.

Section 1. Division of Beneficial Interest. The beneficial interest in the Trust shall at all times be divided into an unlimited number of shares of beneficial interest, par value \$.001 per share. The number of Shares authorized hereunder is unlimited. The Board of Trustees may authorize the division of Shares into separate and distinct Series and the division of any Series into separate classes of Shares. The different Series and classes shall be established and designated, and the variations in the relative rights and preferences as between the different Series and classes shall be fixed and determined by the Board of Trustees without the requirement of Shareholder approval. If no separate Series or classes shall be established, the Shares shall have the rights and preferences provided for herein and in Article III, Section 6 hereof to the extent relevant and not otherwise provided for herein, and all references to Series and classes shall be construed (as the context may require) to refer to the Trust. The fact that a Series shall have initially been established and designated without any specific establishment or designation of classes (i.e., that all Shares of

such Series are initially of a single class) shall not limit the authority of the Board of Trustees to establish and designate separate classes of said Series. The fact that a Series shall have more than one established and designated class, shall not limit the authority of the Board of Trustees to establish and designate additional classes of said Series, or to establish and designate separate classes of the previously established and designated classes.

The Board of Trustees shall have the power to issue Shares of the Trust, or any Series or class thereof, from time to time for such consideration (but not less than the net asset value thereof) and in such form as may be fixed from time to time pursuant to the direction of the Board of Trustees.

The Board of Trustees may hold as treasury shares, reissue for such consideration and on such terms as they may determine, or cancel, at their discretion from time to time, any Shares of any Series reacquired by the Trust. Shares held in the treasury shall not, until reissued, confer any voting rights on the Trustees, nor shall such Shares be entitled to any dividends or other distributions declared with respect to the Shares. The Board of Trustees may classify or reclassify any unissued Shares or any Shares previously issued and reacquired of any Series or class into one or more Series or classes that may be established and designated from time to time. Notwithstanding the foregoing, the Trust and any Series thereof may acquire, hold, sell and otherwise deal in, for purposes of investment or otherwise, the Shares of any other Series of the Trust or Shares of the Trust, and such Shares shall not be deemed treasury shares or cancelled.

Subject to the provisions of Section 6 of this Article III, each Share shall have voting rights as provided in Article V hereof, and the Shareholders of any Series shall be entitled to receive dividends and distributions, when, if and as declared with respect thereto in the manner provided in Article IV, Section 3 hereof. No Share shall have any priority or preference over any other Share of the same Series or class with respect to dividends or distributions paid in the ordinary course of business or distributions upon dissolution of the Trust or of such Series or class made pursuant to Article VIII, Section 2 hereof. All dividends and distributions shall be made ratably among all Shareholders of a particular class of Series from the Trust Property held with respect to such Series according to the number of Shares of such class of such Series held of record by such Shareholders on the record date for any dividend or distribution. Shareholders shall have no preemptive or other right to subscribe to new or additional Shares or other securities issued by the Trust or any Series. The Trustees may from time to time divide or combine the Shares of any particular Series into a greater or lesser number of Shares of that Series. Such division or combination may not materially change the proportionate beneficial interests of the Shares of that Series in the Trust Property held with respect to that Series or materially affect the rights of Shares of any other Series.

Any Trustee, officer or other agent of the Trust, and any organization in which any such Person is interested, may acquire, own, hold and dispose of Shares of the Trust to the same extent as if such Person were not a Trustee, officer or other agent of the Trust; and the Trust may issue and sell or cause to be issued and sold and may purchase Shares from any such Person or any such organization subject only to the general limitations, restrictions or other provisions applicable to the sale or purchase of such Shares generally.

Section 2. Ownership of Shares. The ownership of Shares shall be recorded on the books of the Trust kept by the Trust or by a transfer or similar agent for the Trust, which books shall be maintained separately for the Shares of each Series and class thereof that has been established and designated. No certificates certifying the ownership of Shares shall be issued except as the Board of Trustees may otherwise determine from time to time. The Board of Trustees may make such rules not inconsistent with the provisions of the 1940 Act as they consider appropriate for the issuance of Share certificates, the transfer of Shares of each Series or class and similar matters. The record books of the Trust as kept by the Trust or any transfer or similar agent, as the case may be, shall be conclusive as to who are the Shareholders of each Series or class thereof and as to the number of Shares of each Series or class thereof held from time to time by each such Shareholder.

Section 3. Investments in the Trust. Investments may be accepted by the Trust from such Persons, at such times, on such terms, and for such consideration as the Board of Trustees may, from time to time, authorize. Each investment shall be credited to the individual Shareholder's account in the form of full and fractional Shares of the Trust, in such Series or class as the purchaser may select, at the net asset value per Share next determined for such Series or class after receipt of the investment; provided, however, that the Principal Underwriter may, pursuant to its agreement with the Trust, impose a sales charge upon investments in the Trust.

Section 4. Status of Shares and Limitation of Personal Liability. Shares shall be deemed to be personal property giving to Shareholders only the rights provided in this Declaration of Trust and under applicable law. Every Shareholder by virtue of having become a Shareholder shall be held to have expressly assented and agreed to the terms hereof and to have become a party hereto. The death of a Shareholder during the existence of the Trust shall not operate to dissolve the Trust or any Series, nor entitle the representative of any deceased Shareholder to an accounting or to take any action in court or elsewhere against the Trust or the Trustees or any Series, but entitles such representative only to the rights of said deceased Shareholder under this Declaration of Trust. Ownership of Shares shall not entitle the Shareholder to any title in or to the whole or any part of the Trust Property or right to call for a partition or division of the same or for an accounting, nor shall the ownership of Shares constitute the Shareholders as partners. Neither the Trust nor the Trustees, nor any officer, employee or agent of the Trust, shall have any power to bind personally any Shareholder, nor, except as specifically provided herein, to call upon any Shareholder for the payment of any sum of money or assessment whatsoever other than such as the Shareholder may at any time personally agree to pay. All Shares when issued on the terms determined by the Board of Trustees shall be fully paid and nonassessable. As provided in the DSTA, Shareholders of the Trust shall be entitled to the same limitation of personal liability extended to stockholders of a private corporation organized for profit under the general corporation law of the State of Delaware.

Section 5. Power of Board of Trustees to Change Provisions Relating to Shares. Notwithstanding any other provisions of this Declaration of Trust and without limiting the power of the Board of Trustees to amend this Declaration of Trust or the Certificate of Trust as provided elsewhere herein, the Board of Trustees shall have the power to amend this Declaration of Trust, or the Certificate of Trust, at any time and from time to time, in such manner as the Board of Trustees may determine in its sole discretion, without the need for Shareholder action, so as to add to, delete, replace or otherwise modify any provisions relating to the Shares contained in this

Declaration of Trust, provided that before adopting any such amendment without Shareholder approval, the Board of Trustees shall determine that it is consistent with the fair and equitable treatment of all Shareholders and that Shareholder approval is not otherwise required by the 1940 Act or other applicable law. If Shares have been issued, Shareholder approval shall be required to adopt any amendments to this Declaration of Trust which would adversely affect to a material degree the rights and preferences of the Shares of any Series or class already issued; provided, however, that in the event that the Board of Trustees determines that the Trust shall no longer be operated as an investment company in accordance with the provisions of the 1940 Act, the Board of Trustees may adopt such amendments to this Declaration of Trust to delete those terms the Board of Trustees identifies as being required by the 1940 Act.

Subject to the foregoing Paragraph, the Board of Trustees may amend the Declaration of Trust to amend any of the provisions set forth in paragraphs (a) through (i) of Section 6 of this Article III.

The Board of Trustees shall have the power, in its discretion, to make such elections as to the tax status of the Trust as may be permitted or required under the Code as presently in effect or as amended, without the vote of any Shareholder.

Section 6. Establishment and Designation of Series. The establishment and designation of any Series or class of Shares shall be effective upon the resolution by a majority of the then Board of Trustees, adopting a resolution which sets forth such establishment and designation and the relative rights and preferences of such Series or class. Each such resolution shall be incorporated herein by reference upon adoption.

Each Series shall be separate and distinct from any other Series and shall maintain separate and distinct records on the books of the Trust, and the assets and liabilities belonging to any such Series shall be held and accounted for separately from the assets and liabilities of the Trust or any other Series.

Shares of each Series or class established pursuant to this Section 6, unless otherwise provided in the resolution establishing such Series, shall have the following relative rights and preferences:

(a) Assets Held with Respect to a Particular Series. All consideration received by the Trust for the issue or sale of Shares of a particular Series, together with all assets in which such consideration is invested or reinvested, all income, earnings, profits, and proceeds thereof from whatever source derived, including, without limitation, any proceeds derived from the sale, exchange or liquidation of such assets, and any funds or payments derived from any reinvestment of such proceeds in whatever form the same may be, shall irrevocably be held with respect to that Series for all purposes, subject only to the rights of creditors with respect to that Series, and shall be so recorded upon the books of account of the Trust. Such consideration, assets, income, earnings, profits and proceeds thereof, from whatever source derived, including, without limitation, any proceeds derived from the sale, exchange or liquidation of such assets, and any funds or payments derived from any reinvestment of such proceeds, in whatever form the same may be, are herein referred to as “assets held with respect to” that Series. In the event that there are any assets, income, earnings, profits and proceeds thereof, funds or payments which are not

readily identifiable as assets held with respect to any particular Series (collectively “General Assets”), the Board of Trustees shall allocate such General Assets to, between or among any one or more of the Series in such manner and on such basis as the Board of Trustees, in its sole discretion, deems fair and equitable, and any General Asset so allocated to a particular Series shall be held with respect to that Series. Each such allocation by the Board of Trustees shall be conclusive and binding upon the Shareholders of all Series for all purposes.

(b) Liabilities Held with Respect to a Particular Series. The assets of the Trust held with respect to each particular Series shall be charged against the liabilities of the Trust held with respect to that Series and all expenses, costs, charges and reserves attributable to that Series, and any liabilities, expenses, costs, charges and reserves of the Trust which are not readily identifiable as being held with respect to any particular Series (collectively “General Liabilities”) shall be allocated and charged by the Board of Trustees to and among any one or more of the Series in such manner and on such basis as the Board of Trustees in its sole discretion deems fair and equitable. The liabilities, expenses, costs, charges, and reserves so charged to a Series are herein referred to as “liabilities held with respect to” that Series. Each allocation of liabilities, expenses, costs, charges and reserves by the Board of Trustees shall be conclusive and binding upon the Shareholders of all Series for all purposes. All Persons who have extended credit which has been allocated to a particular Series, or who have a claim or contract that has been allocated to any particular Series, shall look, and shall be required by contract to look exclusively, to the assets of that particular Series for payment of such credit, claim, or contract. In the absence of an express contractual agreement so limiting the claims of such creditors, claimants and contract providers, each creditor, claimant and contract provider will be deemed nevertheless to have impliedly agreed to such limitation unless an express provision to the contrary has been incorporated in the written contract or other document establishing the claimant relationship.

Subject to the right of the Board of Trustees in its discretion to allocate General Liabilities as provided herein, the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a particular Series, whether such Series is now authorized and existing pursuant to this Declaration of Trust or is hereafter authorized and existing pursuant to this Declaration of Trust, shall be enforceable against the assets held with respect to that Series only, and not against the assets of any other Series or the Trust generally and none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the Trust generally or any other Series thereof shall be enforceable against the assets held with respect to such Series. Notice of this limitation on liabilities between and among Series shall be set forth in the Certificate of Trust of the Trust (whether originally or by amendment) as filed or to be filed in the Office of the Secretary of State of the State of Delaware pursuant to the DSTA, and upon the giving of such notice in the Certificate of Trust, the statutory provisions of Section 3804 of the DSTA relating to limitations on liabilities between and among Series (and the statutory effect under Section 3804 of setting forth such notice in the Certificate of Trust) shall become applicable to the Trust and each Series.

(c) Dividends, Distributions, Redemptions and Repurchases. Notwithstanding any other provisions of this Declaration of Trust, including, without limitation, Article VI, no dividend or distribution including, without limitation, any distribution paid upon dissolution of the Trust or of any Series with respect to, nor any redemption or repurchase of, the Shares of any Series or class shall be effected by the Trust other than from the assets held with respect to such Series, nor, except

as specifically provided in Section 7 of this Article III, shall any Shareholder of any particular Series otherwise have any right or claim against the assets held with respect to any other Series or the Trust generally except to the extent that such Shareholder has such a right or claim hereunder as a Shareholder of such other Series. The Board of Trustees shall have full discretion, to the extent not inconsistent with the 1940 Act, to determine which items shall be treated as income and which items as capital; and each such determination and allocation shall be conclusive and binding upon the Shareholders.

(d) Voting. All Shares of the Trust entitled to vote on a matter shall vote on the matter, separately by Series and, if applicable, by class, subject to: (1) where the 1940 Act requires all Shares of the Trust to be voted in the aggregate without differentiation between the separate Series or classes, then all of the Trust's Shares shall vote in the aggregate; and (2) if any matter affects only the interests of some but not all Series or classes, then only the Shareholders of such affected Series or classes shall be entitled to vote on the matter. The Shareholder of record (as of the record date established pursuant to Section 5 of this Article V) of each Share shall be entitled to one vote for each full Share, and a fractional vote for each fractional Share.

(e) Equality. All Shares of each particular Series shall represent an equal proportionate undivided beneficial interest in the assets held with respect to that Series (subject to the liabilities held with respect to that Series and such rights and preferences as may have been established and designated with respect to classes of Shares within such Series), and each Share of any particular Series shall be equal to each other Share of that Series (subject to the rights and preferences with respect to separate classes of such Series).

(f) Fractions. Any fractional Share of a Series shall carry proportionately all the rights and obligations of a whole Share of that Series, including rights with respect to voting, receipt of dividends and distributions, redemption of Shares and dissolution of the Trust or that Series.

(g) Exchange Privilege. The Board of Trustees shall have the authority to provide that the holders of Shares of any Series shall have the right to exchange said Shares for Shares of one or more other Series in accordance with such requirements and procedures as may be established by the Board of Trustees, and in accordance with the 1940 Act and the rules and regulations thereunder.

(h) Combination of Series. The Board of Trustees shall have the authority, without the approval of the Shareholders of any Series unless otherwise required by applicable law, to combine the assets and liabilities held with respect to any two or more Series into assets and liabilities held with respect to a single Series.

(i) Elimination of Series. At any time that there are no Shares outstanding of any particular Series or class previously established and designated, the Board of Trustees may by resolution of a majority of the then Board of Trustees abolish that Series or class and rescind the establishment and designation thereof.

Section 7. Indemnification of Shareholders. If any Shareholder or former Shareholder shall be exposed to liability by reason of a claim or demand relating solely to his or her being or having been a Shareholder of the Trust (or by having been a Shareholder of a particular Series), and not because of such Person's acts or omissions, the Shareholder or former Shareholder (or, in

the case of a natural person, his or her heirs, executors, administrators, or other legal representatives or, in the case of a corporation or other entity, its corporate or other general successor) shall be entitled to be held harmless from and indemnified out of the assets of the Trust or out of the assets of the applicable Series (as the case may be) against all loss and expense arising from such claim or demand; provided, however, there shall be no liability or obligation of the Trust (or any particular Series) arising hereunder to reimburse any Shareholder for taxes paid by reason of such Shareholder's ownership of any Shares.

ARTICLE IV

The Board of Trustees.

Section 1. Number, Election and Tenure. The number of Trustees constituting the Board of Trustees may be fixed from time to time by a written instrument signed, or by resolution approved at a duly constituted meeting, by a majority of the Board of Trustees, provided, however, that the number of Trustees shall in no event be less than one (1) nor more than fifteen (15). In no case shall a decrease in the number of Trustees shorten the term of any incumbent Trustee. The Trustees shall have the qualifications, if any, specified in the By-laws. The Board of Trustees may increase the number of trustees and may fill any vacancy, whether resulting from an increase in the number of trustees or otherwise, on the Board of Trustees occurring before the first annual meeting of Shareholders in the manner provided in the By-laws.

The Board of Trustees, by action of a majority of the then Trustees at a duly constituted meeting, may fill vacancies in the Board of Trustees or remove any Trustee with or without cause. The Shareholders may elect Trustees, including filling any vacancies in the Board of Trustees, at any meeting of Shareholders called by the Board of Trustees for that purpose. A meeting of Shareholders for the purpose of electing one or more Trustees may be called by the Board of Trustees or, to the extent provided by the 1940 Act and the rules and regulations thereunder, by the Shareholders. Shareholders shall have the power to remove a Trustee only to the extent provided by the 1940 Act and the rules and regulations thereunder.

As of December 13, 2021 (the "Classification Date"), the Trustees were classified, with respect to the terms for which they severally hold office, into three classes, as nearly equal as possible and as determined by the Board of Trustees, with Class I trustees to hold office initially for a term expiring at the first annual meeting of Shareholders after the Classification Date, Class II trustees to hold office initially for a term expiring at the second annual meeting of shareholders after the Classification Date, and Class III trustees to hold office for a term expiring at the third annual meeting of shareholders after the Classification Date, with each trustee to hold office until her or his successor is duly elected and qualifies. At each annual meeting of shareholders, commencing with the first annual meeting of shareholders after the Classification Date, the successors to the class of trustees whose term expires at such meeting shall be elected to hold office for a term expiring at the third succeeding annual meeting of shareholders following the meeting at which they were elected and until their successors are duly elected and qualify. Trustees may succeed themselves in office.

Each Trustee shall serve during the continued lifetime of the Trust until he or she dies, resigns, is declared bankrupt or incompetent by a court of appropriate jurisdiction, or is removed,

or, if sooner than any of such events, until the next meeting of Shareholders called for the purpose of electing Trustees and until the election and qualification of his or her successor. Any Trustee may resign at any time by written instrument signed by him or her and delivered to any officer of the Trust or to a meeting of the Board of Trustees. Such resignation shall be effective upon receipt unless specified to be effective at some later time. Except to the extent expressly provided in a written agreement with the Trust, no Trustee resigning and no Trustee removed shall have any right to any compensation for any period following any such event or any right to damages on account of such events or any actions taken in connection therewith following his or her resignation or removal.

Section 2. Effect of Death, Resignation, Removal, etc. of a Trustee. The death, declination, resignation, retirement, removal, declaration as bankrupt or incapacity of one or more Trustees, or of all of them, shall not operate to dissolve the Trust or any Series or to revoke any existing agency created pursuant to the terms of this Declaration of Trust. Whenever a vacancy in the Board of Trustees shall occur, until such vacancy is filled as provided in this Article IV, Section 1, the Trustee(s) in office, regardless of the number, shall have all the powers granted to the Board of Trustees and shall discharge all the duties imposed upon the Board of Trustees by this Declaration of Trust. In the event of the death, declination, resignation, retirement, removal, declaration as bankrupt or incapacity of all of the then Trustees, the Trust's Investment Adviser(s) is (are) empowered to appoint new Trustees subject to the provisions of Section 16(a) of the 1940 Act.

Section 3. Powers. Subject to the provisions of this Declaration of Trust, the Board of Trustees shall manage the business of the Trust, and such Board of Trustees shall have all powers necessary or convenient to carry out that responsibility, including, without limitation, the power to engage in securities or other transactions of all kinds on behalf of the Trust. The Board of Trustees shall have full power and authority to do any and all acts and to make and execute any and all contracts and instruments that it may consider necessary or appropriate in connection with the administration of the Trust. The Trustees shall not be bound or limited by present or future laws or customs with regard to investment by trustees or fiduciaries, but shall have full authority and absolute power and control over the assets of the Trust and the business of the Trust to the same extent as if the Trustees were the sole owners of the assets of the Trust and the business in their own right, including such authority, power and control to do all acts and things as they, in their sole discretion, shall deem proper to accomplish the purposes of this Trust. Without limiting the foregoing, the Trustees may: (1) adopt, amend and repeal By-Laws not inconsistent with this Declaration of Trust providing for the regulation and management of the affairs of the Trust; (2) fill vacancies in or remove from their number in accordance with this Declaration of Trust or the By-Laws, and may elect and remove such officers and appoint and terminate such agents as they consider appropriate; (3) appoint from their own number and establish and terminate one or more committees consisting of two or more Trustees which may exercise the powers and authority of the Board of Trustees to the extent that the Board of Trustees determine; (4) employ one or more custodians of the Trust Property and may authorize such custodians to employ subcustodians and to deposit all or any part of such Trust Property in a system or systems for the central handling of securities or with a Federal Reserve Bank; (5) retain a transfer agent, dividend disbursing agent, a shareholder servicing agent or administrative services agent, or all of them; (6) provide for the issuance and distribution of Shares by the Trust directly or through one or more Principal Underwriters or otherwise; (7) retain one or more Investment Adviser(s); (8) redeem, repurchase

and transfer Shares pursuant to applicable law; (9) set record dates for the determination of Shareholders with respect to various matters, in the manner provided in Article V, Section 5 of this Declaration of Trust; (10) declare and pay dividends and distributions to Shareholders from the Trust Property; (11) establish from time to time, in accordance with the provisions of Article III, Section 6 hereof, any Series or class of Shares, each such Series to operate as a separate and distinct investment medium and with separately defined investment objectives and policies and distinct investment purposes; and (12) in general delegate such authority as they consider desirable to any officer of the Trust, to any committee of the Board of Trustees and to any agent or employee of the Trust or to any such custodian, transfer, dividend disbursing or shareholder servicing agent, Principal Underwriter or Investment Adviser. Any determination as to what is in the best interests of the Trust made by the Board of Trustees in good faith shall be conclusive.

The Trustees who are not interested persons of the Trust shall have the authority to hire employees and to retain advisers and experts necessary to carry out their duties.

In construing the provisions of this Declaration of Trust, the presumption shall be in favor of a grant of power to the Trustees. Unless otherwise specified herein or required by law, any action by the Board of Trustees shall be deemed effective if approved or taken by a majority of the Trustees then in office.

Any action required or permitted to be taken by the Board of Trustees, or a committee thereof, may be taken without a meeting if a majority of the members of the Board of Trustees, or committee thereof, as the case may be, shall individually or collectively consent in writing to that action. Such action by written consent shall have the same force and effect as a majority vote of the Board of Trustees, or committee thereof, as the case may be. Such written consent or consents shall be filed with the minutes of the proceedings of the Board of Trustees, or committee thereof, as the case may be.

The Trustees shall devote to the affairs of the Trust such time as may be necessary for the proper performance of their duties hereunder, but neither the Trustees nor the officers, directors, shareholders or partners of the Trustees, shall be expected to devote their full time to the performance of such duties. The Trustees, or any Affiliate shareholder, officer, director, partner or employee thereof, or any Person owning a legal or beneficial interest therein, may engage in or possess an interest in any other business or venture of any nature and description, independently or with or for the account of others.

Section 4. Chairman of the Trustees. The Trustees shall appoint one of their number to be Chairman of the Board of Trustees. The Chairman shall preside at all meetings of the Trustees, shall be responsible for the execution of policies established by the Trustees and the administration of the Trust, and may be (but is not required to be) the chief executive, financial and/or accounting officer of the Trust.

Section 5. Payment of Expenses by the Trust. The Board of Trustees is authorized to pay or cause to be paid out of the principal or income of the Trust or any particular Series or class, or partly out of the principal and partly out of the income of the Trust or any particular Series or class, and to charge or allocate the same to, between or among such one or more of the Series or classes that may be established or designated pursuant to Article III, Section 6, as it deems fair, all

expenses, fees, charges, taxes and liabilities incurred by or arising in connection with the maintenance or operation of the Trust or a particular Series or class, or in connection with the management thereof, including, but not limited to, the Trustees' compensation and such expenses, fees, charges, taxes and liabilities for the services of the Trust's officers, employees, Investment Adviser, Principal Underwriter, auditors, counsel, custodian, sub-custodian (if any), transfer agent, dividend disbursing agent, shareholder servicing agent, and such other agents or independent contractors and such other expenses, fees, charges, taxes and liabilities as the Board of Trustees may deem necessary or proper to incur.

Section 6. Payment of Expenses by Shareholders. The Trust's custodian, transfer, dividend disbursing, shareholder servicing or similar agent impose fees directly on individual shareholders for certain services requested by the shareholder ("Service Charges"). The Board of Trustees shall have the power to assist the Trust's custodian, transfer, dividend disbursing, shareholder servicing or similar agent in the collection of Service Fees by setting off such Service Charges due from a Shareholder from declared but unpaid dividends or distributions owed such Shareholder and/or by reducing the number of Shares in the account of such Shareholder by that number of full and/or fractional Shares which represents the outstanding amount of such Service Charges due from such Shareholder.

Section 7. Ownership of Trust Property. Legal title to all of the Trust Property shall at all times be considered to be vested in the Trust, except that the Board of Trustees shall have the power to cause legal title to any Trust Property to be held by or in the name of any Person as nominee, on such terms as the Board of Trustees may determine, in accordance with applicable law.

Section 8. Service Contracts.

(a) Subject to such requirements and restrictions as may be set forth in the By-Laws and/or the 1940 Act, the Board of Trustees may, at any time and from time to time, contract for exclusive or nonexclusive advisory, management and/or administrative services for the Trust or for any Series with any corporation, trust, association or other organization, including any Affiliate; and any such contract may contain such other terms as the Board of Trustees may determine, including without limitation, authority for the Investment Adviser or administrator to determine from time to time without prior consultation with the Board of Trustees what securities and other instruments or property shall be purchased or otherwise acquired, owned, held, invested or reinvested in, sold, exchanged, transferred, mortgaged, pledged, assigned, negotiated, or otherwise dealt with or disposed of, and what portion, if any, of the Trust Property shall be held uninvested and to make changes in the Trust's or a particular Series' investments, or such other activities as may specifically be delegated to such party.

(b) The Board of Trustees may also, at any time and from time to time, contract with any corporation, trust, association or other organization, including any Affiliate, appointing it or them as the exclusive or nonexclusive distributor or Principal Underwriter for the Shares of the Trust or one or more of the Series or classes thereof or for other securities to be issued by the Trust, or appointing it or them to act as the custodian, transfer agent, dividend disbursing agent and/or - shareholder servicing agent for the Trust or one or more of the Series or classes thereof.

(c) The Board of Trustees is further empowered, at any time and from time to time, to contract with any Persons to provide such other services to the Trust or one or more of its Series, as the Board of Trustees determines to be in the best interests of the Trust or one or more of its Series.

(d) The fact that:

(i) any of the Shareholders, Trustees, employees or officers of the Trust is a shareholder, director, officer, partner, trustee, employee, manager, Adviser, Principal Underwriter, distributor, or Affiliate or agent of or for any corporation, trust, association, or other organization, or for any parent or Affiliate of any organization with which an Adviser's, management or administration contract, or Principal Underwriter's or distributor's contract, or custodian, transfer, dividend disbursing, shareholder servicing or other type of service contract may have been or may hereafter be made, or that any such organization, or any parent or Affiliate thereof, is a Shareholder or has an interest in the Trust, or that

(ii) any corporation, trust, association or other organization with which an Adviser's, management or administration contract or Principal Underwriter's or distributor's contract, or custodian, transfer, dividend disbursing, shareholder servicing or other type of service contract may have been or may hereafter be made also has an Adviser's, management or administration contract, or Principal Underwriter's or distributor's contract, or custodian, transfer, dividend disbursing, shareholder servicing or other service contract with one or more other corporations, trusts, associations, or other organizations, or has other business or interests, shall not affect the validity of any such contract or disqualify any Shareholder, Trustee, employee or officer of the Trust from voting upon or executing the same, or create any liability or accountability to the Trust or its Shareholders, provided that the establishment of and performance under each such contract is permissible under the provisions of the 1940 Act.

(e) Every contract referred to in this Section 8 shall comply with such requirements and restrictions as may be set forth in the By-Laws, the 1940 Act or stipulated by resolution of the Board of Trustees; and any such contract may contain such other terms as the Board of Trustees may determine.

ARTICLE V

Shareholders' Voting Powers and Meetings.

Section 1. Voting Powers. Subject to the provisions of Article III, Section 6(d), the Shareholders shall have power to vote only (i) for the election of Trustees, including the filling of any vacancies in the Board of Trustees, as provided in Article IV, Section 1; (ii) with respect to such additional matters relating to the Trust as may be required by this Declaration of Trust, the By-Laws, the 1940 Act or any registration statement of the Trust filed with the Commission; and (iii) on such other matters as the Board of Trustees may consider necessary or desirable. The Shareholder of record (as of the record date established pursuant to Section 5 of this Article (V) of each Share shall be entitled to one vote for each full Share, and a fractional vote for each fractional Share. Shareholders shall not be entitled to cumulative voting in the election of Trustees or on any other matter. Shareholders may vote Shares in person or by proxy.

Section 2. Meetings. Meetings of the Shareholders may be held within or outside the State of Delaware. The Trust shall hold annual meetings of the Shareholders. Special meetings of the Shareholders of the Trust or any Series shall be called by the Board of Trustees, Chairman or President upon the written request of Shareholders owning the requisite percentage amount of the outstanding Shares entitled to vote specified in the By-Laws. Whenever ten or more Shareholders meeting the qualifications set forth in Section 16(c) of the 1940 Act, as the same may be amended from time to time, seek the opportunity of furnishing materials to the other Shareholders with a view to obtaining signatures on such a request for a meeting, the Trustees shall comply with the provisions of said Section 16(c) with respect to providing such Shareholders access to the list of the Shareholders of record of the Trust or the mailing of such materials to such Shareholders of record, subject to any rights provided to the Trust or any Trustees provided by said Section 16(c). Shareholders shall be entitled to at least fifteen (15) days' notice of any meeting.

Section 3. Quorum and Required Vote. Except when a larger quorum is required by applicable law, by the By-Laws or by this Declaration of Trust, thirty-three and one-third percent (33-1/3%) of the Shares present in person or represented by proxy and entitled to vote at a Shareholders' meeting shall constitute a quorum at such meeting. When a separate vote by one or more Series or classes is required, thirty-three and one-third percent (33-1/3%) of the Shares of each such Series or class present in person or represented by proxy and entitled to vote shall constitute a quorum at a Shareholders' meeting of such Series or class. Subject to the provisions of Article III, Section 6(d), Article VIII, Section 4 and any other provision of this Declaration of Trust, the By-Laws or applicable law which requires a different vote: (1) in all matters other than the election of Trustees, the affirmative vote of the majority of votes cast at a Shareholders' meeting at which a quorum is present shall be the act of the Shareholders; (2) Trustees shall be elected by a plurality of the votes cast at a Shareholders' meeting at which a quorum is present.

Section 4. Shareholder Action by Written Consent without a Meeting. Any action which may be taken at any meeting of Shareholders may be taken without a meeting and without prior notice if a consent in writing setting forth the action so taken is signed by the holders of Shares having not less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all Shares entitled to vote on that action were present and voted. All such consents shall be filed with the secretary of the Trust and shall be maintained in the Trust's records. Any Shareholder giving a written consent or the Shareholder's proxy holders or a transferee of the Shares or a personal representative of the Shareholder or its respective proxy-holder may revoke the consent by a writing received by the secretary of the Trust before written consents of the number of Shares required to authorize the proposed action have been filed with the secretary.

If the consents of all Shareholders entitled to vote have not been solicited in writing and if the unanimous written consent of all such Shareholders shall not have been received, the secretary shall give prompt notice of the action taken without a meeting to such Shareholders. This notice shall be given in the manner specified in the By-Laws.

Section 5. Record Dates. For purposes of determining the Shareholders entitled to notice of any meeting or to vote or entitled to give consent to action without a meeting, the Board of Trustees may fix in advance a record date which shall not be more than one hundred eighty (180) days nor less than seven (7) days before the date of any such meeting.

If the Board of Trustees does not so fix a record date:

(a) The record date for determining Shareholders entitled to notice of or to vote at a meeting of Shareholders shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day which is five (5) business days next preceding to the day on which the meeting is held.

(b) The record date for determining Shareholders entitled to give consent to action in writing without a meeting, (i) when no prior action by the Board of Trustees has been taken, shall be the day on which the first written consent is given, or (ii) when prior action of the Board of Trustees has been taken, shall be at the close of business on the day on which the Board of Trustees adopts the resolution taking such prior action or the seventy-fifth (75th) day before the date of such other action, whichever is later.

For the purpose of determining the Shareholders of any Series or class who are entitled to receive payment of any dividend or of any other distribution, the Board of Trustees may from time to time fix a date, which shall be before the date for the payment of such dividend or such other distribution, as the record date for determining the Shareholders of such Series or class having the right to receive such dividend or distribution. Nothing in this Section shall be construed as precluding the Board of Trustees from setting different record dates for different Series or classes.

Section 6. Derivative Actions. In addition to the requirements set forth in Section 3816 of the Delaware Act, a Shareholder may bring derivative action on behalf of the Trust only if the Shareholder or Shareholders first make a pre-suit demand upon the Trustees to bring the subject action unless an effort to cause the Trustees to bring such action is excused. A demand on the Trustees shall only be excused if a majority of the Board of Trustees, or a majority of any committee established to consider the merits of such action, has a personal financial interest in the action at issue. A Trustee shall not be deemed to have a personal financial interest in an action or otherwise be disqualified from ruling on a Shareholder demand by virtue of the fact that such Trustee receives remuneration from his service on the Board of Trustees of the Trust or on the boards of one or more investment companies with the same or an affiliated investment advisor or underwriter.

Section 7. Additional Provisions. The By-Laws may include further provisions for Shareholders' votes, meetings and related matters.

The Trustees shall at all times employ a bank, a company that is a member of a national securities exchange, or a trust company, each having capital, surplus and undivided profits of at least two million dollars (\$2,000,000) as custodian with authority as its agent, but subject to such restrictions, limitations and other requirements, if any, as may be contained in the Bylaws of the Trust:

The Trustees may also authorize the custodian to employ one or more sub-custodians from time to time to perform such of the acts and services of the custodian, and upon such terms and conditions, as may be agreed upon between the custodian and such sub-custodian and approved by the Trustees, provided that in every case such sub-custodian shall be a bank, a company that is a member of a national securities exchange, or a trust company organized under the laws of the United States or one of the states thereof and having capital, surplus and undivided profits of at least two million dollars (\$2,000,000) or such other person as may be permitted by the Commission, or otherwise in accordance with the 1940 Act.

Section 2. Central Certificate System. Subject to such rules, regulations and orders as the Commission may adopt, the Trustees may direct the custodian to deposit all or any part of the securities owned by the Trust in a system for the central handling of securities established by a national securities exchange or a national securities association registered with the Commission under the Securities Exchange Act of 1934, as amended, or such other person as may be permitted by the Commission, or otherwise in accordance with the 1940 Act, pursuant to which system all securities of any particular class or series of any issuer deposited within the system are treated as fungible and may be transferred or pledged by bookkeeping entry without physical delivery of such securities, provided that all such deposits shall be subject to withdrawal only upon the order of the Trust or its custodians, subcustodians or other agents.

ARTICLE VII

Net Asset Value, Distributions and Redemptions.

Section 1. Determination of Net Asset Value, Net Income and Distributions. Subject to Article III, Section 6 hereof, the Board of Trustees shall have the power to fix an initial offering price for the Shares of any Series or class thereof which shall yield to such Series or class not less than the net asset value thereof, at which price the Shares of such Series or class shall be offered initially for sale, and to determine from time to time thereafter the offering price which shall yield to such Series or class not less than the net asset value thereof from sales of the Shares of such

Series or class; provided, however, that no Shares of a Series or class thereof shall be issued or sold for consideration which shall yield to such Series or class less than the net asset value of the Shares of such Series or class next determined after the receipt of the order (or at such other times set by the Board of Trustees), except in the case of Shares of such Series or class issued in payment of a dividend properly declared and payable.

Subject to Article III, Section 6 hereof, the Board of Trustees, in their absolute discretion, may prescribe and shall set forth in the By-Laws or in a duly adopted vote of the Board of Trustees such bases and time for determining the per Share or net asset value of the Shares of any Series or net income attributable to the Shares of any Series, or the declaration and payment of dividends and distributions on the Shares of any Series, as they may deem necessary or desirable.

Section 2. Redemptions at the Option of a Shareholder. The Shares of the Trust are not redeemable by the holders.

Section 3. Redemptions at the Option of the Trust. The Board of Trustees may, from time to time, without the vote or consent of the Shareholders, and subject to the 1940 Act, redeem Shares or authorize the closing of any Shareholder account, subject to such conditions as may be established by the Board of Trustees.

ARTICLE VIII

Compensation and Limitation of Liability of Officers and Trustees.

Section 1. Compensation. Except as set forth in the last sentence of this Section 1, the Board of Trustees may, from time to time, fix a reasonable amount of compensation to be paid by the Trust to the Trustees and officers of the Trust. Nothing herein shall in any way prevent the employment of any Trustee for advisory, management, legal, accounting, investment banking or other services and payment for the same by the Trust.

Section 2. Indemnification and Limitation of Liability.

(a) To the fullest extent that limitations on the liability of Trustees and officers are permitted by the DSTA, the officers and Trustees shall not be responsible or liable in any event for any act or omission of: any agent or employee of the Trust; any Investment Adviser or Principal Underwriter of the Trust; or with respect to each Trustee and officer, the act or omission of any other Trustee or officer, respectively. The Trust, out of the Trust Property, shall indemnify and hold harmless each and every officer and Trustee from and against any and all claims and demands whatsoever arising out of or related to such officer's or Trustee's performance of his or her duties as an officer or Trustee of the Trust. This limitation on liability applies to events occurring at the time a Person serves as a Trustee or officer of the Trust whether or not such Person is a Trustee or officer at the time of any proceeding in which liability is asserted. Nothing herein contained shall indemnify, hold harmless or protect any officer or Trustee from or against any liability to the Trust or any Shareholder to which such Person would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of such Person's office.

(b) Every note, bond, contract, instrument, certificate or undertaking and every other act or document whatsoever issued, executed or done by or on behalf of the Trust, the officers or the Trustees or any of them in connection with the Trust shall be conclusively deemed to have been issued, executed or done only in such Person's capacity as Trustee and/or as officer, and such Trustee or officer, as applicable, shall not be personally liable therefor, except as described in the last sentence of the first paragraph of this Section 2 of this Article VIII.

Section 3. Officers and Trustees' Good Faith Action, Expert Advice, No Bond or Surety. The exercise by the Trustees of their powers and discretions hereunder shall be binding upon everyone interested. An officer or Trustee shall be liable to the Trust and to any Shareholder solely for such officer's or Trustee's own willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of the office of such officer or Trustee, and for nothing else, and shall not be liable for errors of judgment or mistakes of fact or law. The officers and Trustees may obtain the advice of counsel or other experts with respect to the meaning and operation of this Declaration of Trust and their duties as officers or Trustees. No such officer or Trustee shall be liable for any act or omission in accordance with such advice and no inference concerning liability shall arise from a failure to follow such advice. The officers and Trustees shall not be required to give any bond as such, nor any surety if a bond is required.

Section 4. Insurance. To the fullest extent permitted by applicable law, the officers and Trustees shall be entitled and have the authority to purchase with Trust Property, insurance for liability and for all expenses reasonably incurred or paid or expected to be paid by a Trustee or officer in connection with any claim, action, suit or proceeding in which such Person becomes involved by virtue of such Person's capacity or former capacity with the Trust, whether or not the Trust would have the power to indemnify such Person against such liability under the provisions of this Article.

ARTICLE IX

Miscellaneous.

Section 1. Liability of Third Persons Dealing with Trustees. No person dealing with the Trustees shall be bound to make any inquiry concerning the validity of any actions made or to be made by the Trustees.

Section 2. Duration, Term and Termination of the Trust.

(a) Duration. Unless (i) earlier dissolved, (ii) the term is extended pursuant to paragraph (c) of this Section or (iii) this Section 2 is amended pursuant to paragraph (d) of this Section, the Trust shall have a limited period of existence and shall dissolve at the close of business on March 31, 2027 ("Termination Date"), or, if applicable, at the close of business on an Extended Termination Date (as defined below).

(b) Termination. After the close of business on (a) the Termination Date, or, (b) if applicable, an Extended Termination Date (as defined below), if the Trust has not been caused to have a perpetual existence pursuant to Section 2(d) of this Article IX, the Trustees shall proceed to wind up the affairs of, and liquidate, the Trust in accordance with Section 2(e) of this Article IX.

(c) Extension of Termination Date. Notwithstanding Section 2(a) of this Article IX:

(i) the Trustees may approve an extension of the Trust's term to a date after the Termination Date or an Extended Termination Date (as defined below) (a) once for up to one year, without Shareholder approval, upon (1) the affirmative vote of a majority of the Trustees then in office, and (2) determining that, given prevailing market conditions, it would be in the best interests of the Shareholders to do so; and

(ii) the Trust's term will be extended for an additional three-year period from the Termination Date or an Extended Termination Date (as defined below) if:

(a) the absolute cumulative return of net asset value is 25% higher at the Termination Date or an Extended Termination Date (as defined below) than at the annual reported net asset value 36 months prior to such Termination Date or Extended Termination Date, or

(b) the Trust satisfies one of the following trading performance targets (with each such target calculated on a simple arithmetic average based on the closing price of the Trust on the NYSE for the six-month period prior to the Termination Date or an Extended Termination Date(as defined below)):

(3) the Trust has traded at net asset value or a premium to net asset value for 25% of the trading days in the Trust's then current term.

The date of expiration of any extension of the Trust's term pursuant to Section 2(c) of this Article IX, is an "Extended Termination Date".

(d) Eligible Tender Offer. Notwithstanding any other provision in this Declaration or the By-Laws, if the Trust completes an Eligible Tender Offer (as defined below), this Section 2 of Article IX may be amended by the affirmative vote of a majority of the Trustees or by an instrument signed by a majority of the Trustees, without a vote of the Shareholders of the Trust, to eliminate the Termination Date and, if applicable, the Extended Termination Date, and cause the Trust to have a perpetual existence.

As used in this Section 2 of Article IX, an "Eligible Tender Offer" is defined as a tender offer by the Trust to purchase up to 100% of the then outstanding Shares of the Trust at a price equal to the net asset value per Share on the expiration date of the tender offer, which expiration date shall be as of a date within twelve months preceding the Termination Date or, in the event that the term of the Trust has been or will be extended pursuant Section 2(c) of this Article IX, the Extended Termination Date. Notwithstanding any other provision in this Declaration of Trust to the contrary,

the Trust may conduct an Eligible Tender Offer upon the affirmative vote of a majority of the Trustees or by an instrument signed by a majority of the Trustees, without a vote of the Shareholders of the Trust.

(e) Procedure for Winding Up and Liquidating the Trust. After dissolution, the Trustees shall proceed to wind up the affairs of the Trust and all of the powers of the Trustees under this Declaration shall continue until the affairs of the Trust shall have been wound up as contemplated by Section 3808(e) of the Delaware Statutory Trust Act. The Trustees may, to the extent they deem appropriate, adopt a plan of liquidation at any time preceding the anticipated dissolution date, which plan of liquidation may set forth the terms and conditions for implementing the dissolution and liquidation of the Trust under this Article IX. Shareholders of the Trust shall not be entitled to vote on the adoption of any such plan or the dissolution and liquidation of the Trust under this Article IX except to the extent required by the 1940 Act. Following completion of winding up of its business, the Trustees shall cause a certificate of cancellation of the Certificate of Trust to be filed in accordance with the Delaware Act, which certificate of cancellation may be signed by any one Trustee.

Section 3. Merger and Consolidation; Conversion.

(a) Merger and Consolidation. Pursuant to an agreement of merger or consolidation, the Trust, or any one or more Series, may, by act of a majority of the Board of Trustees, merge or consolidate with or into one or more business trusts or other business entities formed or organized or existing under the laws of the State of Delaware or any other state or the United States or any foreign country or other foreign jurisdiction. Any such merger or consolidation shall not require the vote of the Shareholders affected thereby, unless such vote is required by the 1940 Act, or unless such merger or consolidation would result in an amendment of this Declaration of Trust, which would otherwise require the approval of such Shareholders. In accordance with Section 3815(f) of the DSTA, an agreement of merger or consolidation may affect any amendment to this Declaration of Trust or the By-Laws or affect the adoption of a new declaration of trust or by-laws of the Trust if the Trust is the surviving or resulting business trust. Upon completion of the merger or consolidation, the Trustees shall file a certificate of merger or consolidation in accordance with Section 3810 of the DSTA.

(b) Conversion. A majority of the Board of Trustees may, without the vote or consent of the Shareholders, cause (i) the Trust to convert to a common-law trust, a general partnership, limited partnership or a limited liability company organized, formed or created under the laws of the State of Delaware as permitted pursuant to Section 3821 of the DSTA; (ii) the Shares of the Trust or any Series to be converted into beneficial interests in another business trust (or series thereof) created pursuant to this Section 3 of this Article VIII, or (iii) the Shares to be exchanged under or pursuant to any state or federal statute to the extent permitted by law; provided, however, that if required by the 1940 Act, no such statutory conversion, Share conversion or Share exchange shall be effective unless the terms of such transaction shall first have been approved at a meeting called for that purpose by the “vote of a majority of the outstanding voting securities,” as such phrase is defined in the 1940 Act, of the Trust or Series, as applicable; provided, further, that in all respects not governed by statute or applicable law, the Board of Trustees shall have the power to prescribe the procedure necessary or appropriate to accomplish a sale of assets, merger or consolidation including the power to create one or more separate business trusts to which all or

any part of the assets, liabilities, profits or losses of the Trust may be transferred and to provide for the conversion of Shares of the Trust or any Series into beneficial interests in such separate business trust or trusts (or series thereof).

Section 4. Reorganization. A majority of the Board of Trustees may cause the Trust to sell, convey and transfer all or substantially all of the assets of the Trust, or all or substantially all of the assets associated with any one or more Series, to another trust, business trust, partnership, limited partnership, limited liability company, association or corporation organized under the laws of any state, or to one or more separate series thereof, or to the Trust to be held as assets associated with one or more other Series of the Trust, in exchange for cash, shares or other securities (including, without limitation, in the case of a transfer to another Series of the Trust, Shares of such other Series) with such transfer either (a) being made subject to, or with the assumption by the transferee of, the liabilities associated with each Series the assets of which are so transferred, or (b) not being made subject to, or not with the assumption of, such liabilities; provided, however, that, if required by the 1940 Act, no assets associated with any particular Series shall be so sold, conveyed or transferred unless the terms of such transaction shall first have been approved at a meeting called for that purpose by the “vote of a majority of the outstanding voting securities,” as such phrase is defined in the 1940 Act, of that Series. Following such sale, conveyance and transfer, the Board of Trustees shall distribute such cash, shares or other securities (giving due effect to the assets and liabilities associated with and any other differences among the various Series the assets associated with which have so been sold, conveyed and transferred) ratably among the Shareholders of the Series the assets associated with which have been so sold, conveyed and transferred (giving due effect to the differences among the various classes within each such Series); and if all of the assets of the Trust have been so sold, conveyed and transferred, the Trust shall be dissolved.

Section 5. Amendments. Subject to the provisions of the second paragraph of this Section 5 of this Article VIII, this Declaration of Trust may be restated and/or amended at any time by an instrument in writing signed by a majority of the then Board of Trustees and, if required, by approval of such amendment by Shareholders in accordance with Article V, Section 3 hereof. Any such restatement and/or amendment hereto shall be effective immediately upon execution and approval or upon such future date and time as may be stated therein. The Certificate of Trust of the Trust may be restated and/or amended by a similar procedure, and any such restatement and/or amendment shall be effective immediately upon filing with the Office of the Secretary of State of the State of Delaware or upon such future date as may be stated therein.

Notwithstanding the above, the Board of Trustees expressly reserves the right to amend or repeal any provisions contained in this Declaration of Trust or the Certificate of Trust, in accordance with the provisions of Section 5 of Article III hereof, and all rights, contractual and otherwise, conferred upon Shareholders are granted subject to such reservation. The Board of Trustees further expressly reserves the right to amend or repeal any provision of the By-Laws pursuant to Article IX of the By-Laws.

Section 6. Filing of Copies, References, Headings. The original or a copy of this Declaration of Trust and of each restatement and/or amendment hereto shall be kept at the principal executive office of the Trust where any Shareholder may inspect it. Anyone dealing with the Trust

may rely on a certificate by an officer of the Trust as to whether or not any such restatements and/or amendments have been made and as to any matters in connection with the Trust hereunder; and, with the same effect as if it were the original, may rely on a copy certified by an officer of the Trust to be a copy of this instrument or of any such restatements and/or amendments. In this Declaration of Trust and in any such restatements and/or amendments, references to this instrument, and all expressions of similar effect to “herein,” “hereof” and “hereunder,” shall be deemed to refer to this instrument as amended or affected by any such restatements and/or amendments. Headings are placed herein for convenience of reference only and shall not be taken as a part hereof or control or affect the meaning, construction or effect of this instrument. Whenever the singular number is used herein, the same shall include the plural; and the neuter, masculine and feminine genders shall include each other, as applicable. This instrument may be executed in any number of counterparts, each of which shall be deemed an original.

Section 7. Applicable Law. This Declaration of Trust is created under and is to be governed by and construed and administered according to the laws of the State of Delaware and the applicable provisions of the 1940 Act and the Code. The Trust shall be a Delaware business trust pursuant to the DSTA, and without limiting the provisions hereof, the Trust may exercise all powers which are ordinarily exercised by such a business trust.

Section 8. Provisions in Conflict with Law or Regulations.

(a) The provisions of this Declaration of Trust are severable, and if the Board of Trustees shall determine, with the advice of counsel, that any of such provisions is in conflict with the 1940 Act, the Code, the DSTA, or with other applicable laws and regulations, the conflicting provision shall be deemed not to have constituted a part of this Declaration of Trust from the time when such provisions became inconsistent with such laws or regulations; provided, however, that such determination shall not affect any of the remaining provisions of this Declaration of Trust or render invalid or improper any action taken or omitted prior to such determination.

(b) If any provision of this Declaration of Trust shall be held invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall attach only to such provision in such jurisdiction and shall not in any manner affect such provision in any other jurisdiction or any other provision of this Declaration of Trust in any jurisdiction.

Section 9. Statutory Trust Only. It is the intention of the Trustees to create a statutory trust pursuant to the DSTA, and thereby to create the relationship of trustee and beneficial owners within the meaning of the DSTA between the Trustees and each Shareholder. It is not the intention of the Trustees to create a general or limited partnership, limited liability company, joint stock association, corporation, bailment, or any form of legal relationship other than a business trust pursuant to the DSTA. Nothing in this Declaration of Trust shall be construed to make the Shareholders, either by themselves or with the Trustees, partners or members of a joint stock association.

Section 10. Fiscal Year. The fiscal year of the Trust shall end on a specified date as set forth in the Bylaws, provided, however, that the Trustees may, without Shareholder approval, change the fiscal year of the Trust.

IN WITNESS WHEREOF, the Trustee named below does hereby make and enter into this Declaration of Trust as of the date first above written.
